Please register online by visiting the Sharing Faith Dinners tab under the Formation page on our church website (www.cecbg.com), or by emailing Laura Goodwin (laura@cecbg.com). Bring the whole family!

LIFTING UP THOSE AFFECTED BY HURRICANE HARVEY

We watched this week as Mother Nature showed her fury once again on the Gulf Coast. It can be difficult to feel helpless while others struggle, and many of us wish we could do something. Bishop Andy Doyle of the Diocese of Texas has invited Episcopalians around the country to pray for the victims of Harvey and to donate to Episcopal Relief and Development. If you would like to donate funds through Christ Church, simply mark your check “Harvey ERD” and we will forward them along.

If you would prefer to donate online, you can follow this link – <http://www.episcopalrelief.org/hurricane-harvey-response>. May God bless the people of the western Gulf Coast as they begin to rebuild their lives.

WEDNESDAY MEAL SIGN-UP TO ASSIST THE DALES

As many already know, our friend, Mary Dale, has been diagnosed with ALS. As we continue to pray for Mary and Jim, we have been made aware of an opportunity to take concrete action. Friends of Jim and Mary Dale have

organized an online sign-up to provide a Wednesday evening meal for them. Please go to the web page (<https://mealtrain.com/98qqnk>) to sign-up and help.

AN OPPORTUNITY TO SERVE AT THE 8:00AM SERVICE

Beginning in November, the role of Intercessor at the 8:00am service will become a stand-alone ministry opportunity. If you are interested in leading the Prayers of the People at the 8:00am service, please talk to Father Steve, Mother Becca, or Deacon Kellie.

FAIR TRADE COFFEE AND TEA SALE

Look for the upcoming date for the Fair Trade Coffee and Tea Sale in November. By then you'll need some hot coffee, tea, cocoa, and chocolate to go with the cold weather.

LIVING WATERS FOR THE WORLD

Living Waters for the World (LWW) is a “global outreach ministry...that trains and equips mission teams to share the gift of clean water treatment systems with communities in need. The water treatment systems and related educational programs fill a critical niche in the world water crisis—helping communities with available but contaminated water to obtain a clean water supply.”

The Christ Church LWW Mission Team is planning to travel to Peru in 2018 to install a water purification system in the community of Santo Thomas, on the Rio Orosa, a tributary of the Amazon River. It will be installed in a medical clinic run by Project Amazonus. Please pray for our mission team and our mission partners. Donations are currently being collected in the 5-gallon water jugs near the assembled system in Surface Hall. Donations may also be made online at www.cecbg.com or by placing a check in the Sunday offering labeled LWW Mission Trip.
