

No Church Without a Vision

Churches, pastors and their families are central to what CFCI is all about. Church planting, pastoral training and leadership development seminars are used to help local churches fulfill their part of Christ's mandate to make disciples of all nations.

We believe that the Church is the best vehicle to meet both the Spiritual and physical needs of people, as-well-as communities.

We work across denominational lines and at the invitation of the country's pastoral association.
