## LIFE JOURNEY—YOU COULD BE THE ONE!

Believers are angry that the world is not Christian, yet untroubled they themselves are not Christlike. There is a heavenly response to the darkened conditions of our world: God calls us to attain and reveal the powerful life of Christ. As we seek God's mercy for others, we will find His mercy and grace for ourselves and be transformed in the process. Discover the power waiting to be released by one Christlike life. ## YOUTH CLASS

The Gospel Project for Students helps teens develop a bigger perspective on Scripture and how the story of Jesus Christ ties it all together. Every week, in every passage, your students will encounter the gospel through the in-depth study of biblical theology, apologetics, missions, and the grand narrative of Scripture. Because nothing has the ability to transform a teen's life like the gospel. Youth meet in the Arena in Room 203.

## THE LOCKER ROOM— ALL MEN'S FELLOWSHIP

Men are invited to join Jeff Lancaster for a study on *Words: Life & Death* by Robert Morris. Words carry enormous power - the power to heal or wound, encourage or discourage, speak truth or deceive, praise or criticize. In fact, the Bible says that death and life are in the power of the tongue. Since that's true, we all definitely need to learn how to control our tongues. Let these transformative messages open your eyes to the power of your words and turn them into a force for life and blessing! Class meets in the Youth Arena on the second floor.
