

The Reagan Diaries

My kids gave *The Reagan Diaries* to me for Father's Day a while back. The book is nearly 800 pages long, so when I was asked by a friend which part was my favorite, you'd think that would be a difficult question to answer. It wasn't.

It's the two pages where my children wrote notes to me expressing their love. The words are absolutely priceless!

I guess that's why my favorite part of the Bible is easy to find as well. I love the history, adventure, romance and intrigue of Scripture. Its wisdom, praise and spirituality are indeed from another world. But my favorite part is John 3:16. *"For God so loved the world that He gave His one and only Son, that whoever believes in Him will have eternal life. God did not send Jesus into the world to condemn us, but that through Him we might all be saved."*

It just doesn't get any better than that!
