

## **Another Chance**

Nearly a million Allied Troops in France faced annihilation by Hitler's Army. These brave men had been chased all the way to the English Channel and there was no way out. But then the boats came. Out of nowhere. Big boats, little boats, ferry boats, fishing boats—nearly 900 in all. Some as small as 15 feet long.

A number of British Army units were captured or killed. Nevertheless, in the nine days from May 27<sup>th</sup> to June 4<sup>th</sup> in 1940, nearly 350,000 men were evacuated from Dunkirk and lived to fight another day.

The British newspaper headline contained a picture of Allied fighting men holding on to the little flotilla of fishing boats—and the headlines contained just one word. **SAVED!**

That said it all. Saved. A new hope, safety, and another chance.

I think that's why the Bible says, "*Believe on the Lord Jesus Christ, and you shall be saved!*"

This is Pastor Stephen Chitty. Remember *Life Matters*, and so do you.
