Mostly Personal...

Loved Ones,

Thank you!

Thank you!

Thank you!

We could say it a million times, and it wouldn't be enough!

Thank you for making our twentieth anniversary Sunday one of the most meaningful days of our ministry together.

The entire day was precious to us. Every card was a treasure. The reception was a delight. The videos were so moving, and the Memory Book (like the videos) caused us to laugh and cry – often at the same time!

Your sacrificial, generous offering is so deeply appreciated. Thank you so very much!

Words are not enough, but I guess it's the best we have to offer you this side of eternity.

There's a reason I call you my *Loved Ones* and our *Beloved*. Sunday just added one more reason to a long, ever-growing list! Never doubt for a minute that you are loved and deeply cared for by every member of the Chitty family.

We love you to the moon and back!

We love you all,

*Pastor Stephen, Ramona, Mollie, Rebekah,
Jeremy and Katie, Joey and Polly*
