Mostly Personal...

Loved Ones,

HAPPY FATHER'S DAY TO YOU ALL!

I believe one of the paradigms the Lord is restoring to the church is the concept of Fatherhood. It is significant, I think, that the great Brownsville Revival began on Father's Day in 1995. Malachi predicted that part of The LORD'S endtime agenda is to turn the hearts of children back to their fathers, and restore the model of Fathers who intentionally and aggressively love our children as well. Today we have prepared a special booklet for you Dads based on the combined hearts of our church fathers. We trust it will be of value to you all.

By the way, guys – don't forget our very special 318 night coming up June 29th. Details are in the bulletin and on the website.

THANK YOU SO MUCH!

The Word, Spirit, and Power Conference was the best! I want to thank EVERYONE who served so beautifully to make the event a success. I shouldn't try to call names. But to ushers and greeters, nursery and children's workers, security personnel, intercessors, pastoral team, office staff, ministry teams, and ANYONE I HAVE FAILED TO MENTION – the meeting would not have been nearly so successful without your labor of love! I am so very proud of you and thankful to be your pastor!

Our **Heaven** series continues next week. Only a few more topics remain!

I love you,
Pastor Stephen
