

THE TWELVE

The Men Jesus Chose as Apostles

Sunday Mornings with Pastor Stephen
September 9 – December 9

Join us on Sunday mornings this fall as we study in detail the men known as the Twelve Apostles. Learn about their origins, their ministry after Jesus' resurrection, as well as the particular challenges and gifting that made each of them so vital to the early church.

You might be surprised to learn these were all ordinary men called to an extraordinary task! At one time or another, all of them felt overwhelmed and under-qualified. Each of them wanted to quit, but they pressed through and became known for their perseverance and spirituality. With the exception of Judas, each of them finished strong and well.

You will discover your calling as well. You will gain insights about overcoming weaknesses and growing strong in faith. You will begin to celebrate your own unique way of serving God. I believe in you, and God believes in you more than you can imagine!

I BELIEVE IN YOU...AND SO DOES GOD!
