

Wednesday Prayer Priority

April 26, 2017

**Today we will pray for our students and leadership in
South Carolina School of Leadership (SCSL).**

1. Pray for our students, graduating on May 14, that they will finish well and be a witness to family and friends who come to honor them.
2. Pray for each student as they seek direction and confirmation for The Lord concerning their future. Some will return, others will go into vocational ministry, while others may go to college. May the voice of the Holy Spirit direct them all.
3. Pray for our SCSL staff as they bring 2016-2017 to a close.
4. Pray that God will give the leadership and pastors wisdom as we make plans for the 2017-2018 SCSL year.
