

# Wednesday Prayer Priority

February 21, 2018

**This week we are praying for our SCSL students  
as they go on missions trips between February 20-March 3.**

1. We pray for safety, provision, and supernatural protection as our teams travel over the next few weeks.
2. We believe God for divine appointments and life transformation with those they come in contact.
3. We are praying for the Lord to call some of our young men and women to full-time missions because of their exposure to different cultures, people groups, and missionary leaders.
4. We ask for seeds of the gospel to be planted in good and fertile soil and for a harvest of souls!
