

Wednesday Prayer Priority

February 28, 2018

**This week we are praying for
our new service schedule starting March 4.**

1. We are asking for the presence of the Lord to feel welcome in our new service structure.
2. We are asking for supernatural energy as we learn to surrender to the Lord, allow his presence to sanctify us, and respond by serving wherever he may call us.
3. We are praying for those who work diligently in our service teams each week for creativity, anointing and discernment!
