

Wednesday Prayer Priority

March 7, 2018

This week we are praying for new friends and families who are attending our Next Steps Membership Classes.

1. We are asking the Lord to help us connect new people with the vision and Core Values of Christian Life Church.
2. We are praying for the Holy Spirit to give an elevated anointing to our pastors and to help them accurately articulate his heart as they teach the membership classes.
3. We are believing for new friends and families who will choose to become a part of the Christian Life family. We are asking for it to be a Holy Spirit led decision for them.
4. We are praying for the next four weeks to be more than a class, but an encounter with the Word of God, an increase of faith, and opportunity to grow together spiritually.
