

Wednesday Prayer Priority

March 28, 2018

**As we approach Easter Sunday and the Resurrection of Christ,
we are praying for each of us to begin living in light of
the power of The Lord's Resurrection!**

1. We agree in prayer for an increased awareness of the Resurrection Witness to take place all around the world.
2. We agree in prayer for a sovereign move of God among the nations of Islam in the Middle East. May the resurrected JESUS appear in dreams and visions; may the preached Word of God, be confirmed by the Holy Spirit's witness. We ask the Holy Spirit to touch millions of Muslims with God's good news and great love.
3. We agree in prayer for the suffering, persecuted, and mistreated Church around the world. May the spirit of Easter's victory strengthen them in all of their troubles and trials.
4. We agree in prayer for an outpouring of the spirit in Israel!
5. We agree in prayer, with confident expectation, for the soon return of Jesus!
