

Wednesday Prayer Priority

June 6, 2018

We are praying for three lost friends. We are asking God to save these three friends/loved ones who are not presently walking with The Lord.

I am praying for:

1. _____

2. _____

3. _____

- We are asking God to stir the hearts of these individuals, creating a hunger in them for life and truth (Ephesians 1:3-14).
- We are asking God to speak to these individuals by the power the Holy Spirit. May He help them to know the truth about sin, righteousness, and judgment (John 16:7-9).
- We are asking God to create “Divine Appointments” that are providential meetings, encounters, or conversations in which the clear message of the Gospel is communicated (Acts 8:25-39).
- We are asking God to break bondages, expose lies, and reveal truth in a way that will make it easy for these people to hear the message, receive the truth, and commit their lives to Jesus (Acts 2:46, 47).
