

Wednesday Prayer Priority

October 3, 2018

This month we are praying for Families.

Vision

Proverbs 29:18 NASB Where there is no vision, the people are unrestrained, But happy is he who keeps the law.

The biggest threat for any family today is a lack of vision. We are believing God for an outpouring of vision into our homes today!

1. Father we pray that you would release vision (a preferred future based on God's plans) into the fathers and mothers of our families. Pour vision into them for such a time of this!
2. Give us hearts to receive your vision for our families. Forgive us for pursuing only what the world says is important. Help us instead to pursue your kingdom and your righteousness!
3. We come against any and all forms of apathy. We ask you Holy Spirit to deliver us from the temptation to "coast" as spiritual leaders of our homes. We believe you for spiritual growth and progress in our families.
