

# Wednesday Prayer Priority

June 5, 2019

**Since the beginning of 2019, the Lord has directed us to pray over these four specific points. God desires to release His provision of these things over our lives, our families and our church!**

1. Pray for the Favor of the Father over your life!
  - We are not orphans any more, we have been adopted into the family of God. He calls us sons and daughters!
  - He is a good Father and wants to show us His love in tangible and significant ways.
  
2. Plead the Blood of Jesus over your family and our church.
  - We can appropriate the shed blood of Jesus as a covering over our lives, as the forgiveness of sin, and protection over our lives; spirit, soul and body!
  
3. We ask you Lord, for a fresh infilling of your Holy Spirit!
  - We need the power only You can provide to be Your witnesses and to live as Jesus lived and love as Jesus loved.
  
4. Pray for Angelic Intervention, favor and protection.
  - Thank you Lord for sending ministering angels to our aid at times when we are aware and even when we are unaware of the fact we are in need of your protection and safety.
