

# Wednesday Prayer Priority

August 7, 2019

## **This week we are praying for the Roots & Ivy Women's Conference**

1. We are asking for the 200+ women registered to attend:
  - To come with hungry and thirsty hearts ready to receive from God's Word
  - To be refreshed and restored in the Lord's presence
  - To be connected to other women, who are journeying with them, as they follow Christ
  - A fresh release of the Holy Spirit to empower, encourage and equip women like never before
  - Breakthrough in all areas of life: marriage, family, finances, friendships and influence of other women
  
2. We believe God for our guest speaker, Jess Connelly, to be:
  - Anointed to preach the Word of God with power!
  - Empowered to teach from a heart of transparency!
  - Energized by the Holy Spirit to touch on every area our women need transformation!
