

Wednesday Prayer Priority

March 6, 2019

As a church who understands the importance of prayer, we are embarking on a journey of learning how to pray corporately and how to fully live out our purpose in the Kingdom of God.

We believe the Lord has given us 14 assignments to focus on and lean into through the privilege and power of prayer. This week we are learning to pray for **COMMUNITY**.

1. Heavenly Father open our eyes to see the needs of the community around us. Make us aware of our neighbors, schools, and businesses and help us to see them how you see them.
2. Lord, we ask that our homes and businesses would be lighthouses of prayer. May they be places where people sense your presence and places you can use for your glory to be seen and felt.
3. We pray for our schools to be places of learning and safety. We ask you to provide resources so teachers and students can work together in unity.
4. We ask you for protection for our Police Force, Firefighters, Emergency Medical Technicians and first responders. Give them wisdom and discernment as they respond to issues and emergencies in our community. Protect them and keep them safe as they serve our community.
