THE BIBLE IS A LIBRARY

THE BIBLE IS CALLED A LIBRARY because it is made up of 66 books written by forty authors and printed in one volume. It is filled with action stories, mysteries, poetry, biography, and much more.

The Bible is divided into categories like a library. There is an Old Testament with thirty-nine books and a New Testament with twenty-seven books. These two categories are divided into nine sections.

1. **LAW**– Five books that teach about God, His people, and history laws.
2. **OLD TESTAMENT HISTORY**– Twelve books that give us history of the nation of Israel.
3. **POETRY**– Five books of hymns, proverbs, and poetry about life.
4. **MAJOR PROPHETS**– Five books that give prophetic messages. They are classified as major prophets because of their length.
5. **MINOR PROPHETS**– Twelve books classified as minor prophets because they are shorter in length than the five major prophet books. The minor prophets all present the same message to the Jewish people and some surrounding nations: Turn to God or suffer judgement.
6. **GOSPELS**– Four books that tell about the life and teachings of Jesus.
7. **NEW TESTAMENT HISTORY**– One book that gives the origins of the early Christian church, how it was formed and spread.
8. **EPISTLES**– Twenty-one letters written by the apostle Paul and other writers to various Christian churches. They were written to teach believers how to live for God in a sinful world.
9. **PROPHECY**– One book that gives us a peek into the future and God's plan for His people.

Learning about the Bible brings life. (Psalms 1:1-3) God promises that His Word will be around forever to help His people. (Matthew 24:35)
