Movie in the Park

Thank you to everyone who volunteered at the Movie in the Park! I appreciate your hearts and willingness to invest into the community! We had a great team of people setting up, tearing down, passing out flyers, handing out juice and popcorn, working the jump houses, face painting, and temporary tattoos! Thank you to Gerald Thompson for letting us use his sound system and David Braker, Jr. for letting us use his wagon! Lots of people from the community attended and received the Gospel presentation through tracts!
