

*He is the image of the invisible God, the firstborn of all creation. For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities – all things were created through Him and for Him. And He is before all things, and in Him all things hold together. And He is the head of the body, the church. He is the beginning, the firstborn from the dead, that in everything He might be preeminent. For in Him all the fullness of God was pleased to dwell, and through Him to reconcile to Himself all things, whether on earth or in heaven, making peace by the blood of His cross. Colossians 1: 15-20*

*Blessed is the one whom God reproves; therefore despise not the discipline of the Almighty. For He wounds, but He binds up; He shatters, but His hands heal. Job 5: 17-18*

*He delivers the afflicted by their affliction and opens their ear by adversity. Job 36: 16*

*The Lord will fight for you, and you have only to be silent.” Exodus 14: 14*

*Your way was through the sea, your path through the great waters; yet your footprints were unseen. Psalm 77: 19*

*For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope. Jeremiah 29: 11*

Today, I acknowledge that You have sent adversity into my life so that I might trust wholly in You, and not in myself. Use this present time of need to open my ears to hear all that You long to teach me. Draw me close and take me into deeper revelations of truth of who You are. I rest in Your providence and care even though I cannot see your footprints. Deliver me from fear and unbelief. Surround me with Your steadfast love by day, and sing Your song to me through the night.

I commit the entire course of chemotherapy and radiation, and my overall health to You. You are the divine Physician and have the power to heal by merely whispering. By the authority given to me through Jesus' death and resurrection, I ask that You breathe the breath of Life into my body. Restore and maintain my white cell counts, my red cell counts, and my platelets so that I may finish the course of treatment prescribed for me. Sanctify all treatment and cause it to be successful beyond measure. Minimize fatigue and all side effects, I pray. Heal my physical body so that I can testify to Your power, unfailing love and sustenance for me. Lead me and my family into all that You have planned for us for good, and give us renewed hope. I worship You as my Creator and Redeemer. Glorify Yourself in all these things, I pray, in Jesus' name. Amen.
