We live in a friendly community with a great school system. We are fortunate to live with our families nearby and family is a large part of our lives. We love traveling together and experiencing new cultures. We believe in living each day trying to be a better person and that kindness is important above all else. We are eager to grow as a family and we have so much love to give in a home that is built on family, friendship, and love. We have 2 dogs, Neo and Winky, and 1 cat named Nagera. We are huge on animal rescue and believe that animals add so much to our lives. Sekoya is anxiously awaiting being a sister and we can't wait to complete our family! We look forward to an open adoption with pictures, mail and text and we appreciate being considered for such a selfless act of kindness.
