MISSION to BALTIMORE

July 8-14, 2013

WHERE We are going to Baltimore, Maryland! We'll work with Burning Heart Ministries, an organization whose mission is to bring God's love and healing to the least, the last, and the lost. Lodging will be at the Burning Heart Ministries home on Taylor Ave.

WHEN Mon, July 8 (morning) through Sun, July 14 (early evening)
(Exact time and location of Monday departure and Sunday pickup TBD)
Prior to our trip, we will meet for the purpose of preparing our team to serve together.

WHY Come join us as God's miraculous power is breaking out on the streets of Baltimore! We'll receive training and equipping to love with supernatural power. We'll get out on the streets of Baltimore with Burning Heart's trained team, to the neighborhoods they live in, to bring the realities of heaven onto the earth. We'll go home with our own amazing testimonies of God's goodness, kindness and love. We'll have the tools, skills and inspiration to bring the Kingdom of God in our own community. In addition to prayer for and with the people we meet, our ministry to the community may include ways to meet the physical needs of the area: minor home repairs, cleaning, painting, yard work, and service at community gatherings.

WHO Open to current 7th grade to current 12th grade students.

OUR TEAM Chris Rothgeb, John Kirby, Ali Kirby and Zaki Ogoola will go as mission team leaders. We will serve with Burning Heart Ministries of Baltimore, MD, which is led by Jay Baylor, who is also the Associate Pastor at COA. For more information on Burning Heart, check out their website at <http://BurningHeartfortheCity.com>.

HOW MUCH \$350, includes \$25 deposit. Covers costs for transportation, lodging, meals, activities and project supplies for the week.

FUNDRAISING We're open to fundraising opportunities for the mission trip and need volunteers to run them. If you have an idea and would like to help make it happen, let us know by filling in the info on the Registration Form or contact JohnKirby@ChurchoftheApostles.org. Some ideas could be restaurant fundraisers, car wash (at a local gas station?), or a yard sale held at someone's home. Have any others? If students are interested in sending out support letters to their friends and family and would like sample copies, check with John Kirby.
