

Angel Academy December 2017

December is a merry and festive month!

All of the colors, music, and TOY COMMERCIALS seem to say excitement! Sometimes it can be a little over stimulating for little ones. I would encourage you to keep to your schedule as much as you can and make time for plenty of rest and healthy snacks for your preschooler.

This month will be a fun time here at Angel Academy! We will be learning about the birth of Jesus and other traditions of Christmas. Your child will be bringing home decorations, crafts, and other projects to share with you. Thank you for the gift of your child in our preschool. It is a privilege to serve your family.

Merry Christmas and
Happy New Year!

The Christmas story

Thank you to everyone who attended and helped with Stone Soup! We had a great week of thankfulness and fun. We served about 700 people!

There are lots of yucky illnesses going around right now. Encourage your child to cough or sneeze into their elbow, use a tissue for boogers, and wash their hands!!

Remember kids need to stay home if they are not fever free for 24 hrs.

Christmas Schedule

Our Birthday Party for Jesus takes the place of the Christmas program
And Class Party!

Angels 1 & 2 will have their program on Monday, December 18th at 10:45.
