November is here as the leaves are briskly falling! The time just zooms by as we continue to learn and grow in God's grace.

The children are excited about the falling leaves and the cooler weather! Be sure to send a coat with your child each day so we can enjoy a little time outside! It is a good idea to wear shorts or tights under dresses as well. We may not get outside each day but when we are able to, we want everyone to enjoy time on our playground. Fresh air is good for us.

A big thanks to all of the parents who helped us out on the field trip to the Pumpkin Patch in October. We couldn't do it without you. We appreciate your graciousness.

Also, thank you everyone who came to conferences, and a BIG thank you to everyone who helped with snacks and lunch for those couple long days! Your kindness just overflows!

Thank you for allowing us to educate your children and to teach them about the love of the Lord. We hope that you can attend the Stone Soup dinner, it will be a special time for all of us to give thanks.

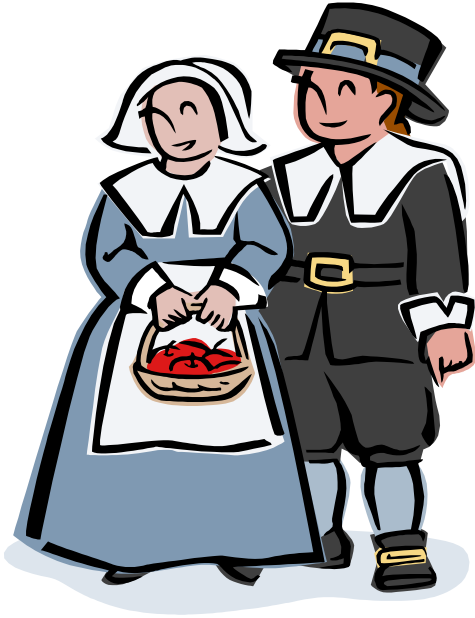

HAPPY

THANKSGIVING

May this Thanksgiving be a wonderful time of reflecting on the blessings that God pours out!

We are thankful for all our families and would like to invite each of you to join us for

A Stone Soup dinner!

This month we will be reading the story of Stone Soup. The story teaches us to share. In the story, a weary traveler, hungry and tired, comes to a village where the people do not know happiness. During the course of the story, the villagers learned about sharing and discovered that when we all contribute a little, we can do big things!

We would like for you to sign up to share something for our soup if you are able. The signup sheets will be hanging up by your child's classroom.

We will start out in the sanctuary and then move down to the gym or Webster room to eat. Children should be dropped off in their classroom at 5:45-the fun starts at 6 PM

Please RSVP on the form provided with the newsletter as seating will be assigned to accommodate everyone!

In our society of instant gratification, November is the perfect month to instill an attitude of gratitude in your child. Try starting a blessing journal. Brainstorm with your child, and write down all of the things that you are thankful for. Allow your kiddo to draw a picture of all the things and people that make him or her happy. Recording what they tell you about their creation makes them stop to think about all of the blessings in their lives, warms your heart, and creates a keepsake you will be sure to appreciate for years to come.
