Parents could you help us with something?

If you could be sure your child goes to the restroom before you leave home for school or while you are waiting for the door to open, it would help us to get the school day started without a stop in circle time for potty breaks.

We are excited to play outside! As the weather gets cooler, please remember to send jackets.

Everyone seems to be falling nicely into the routines of school!

Sometimes it can be quite emotional for moms and dads to leave when their kiddos are sad.

Let me assure you, a quick good-bye is best! We will absolutely give you a call if your child doesn't calm down.

We will be having parent teacher conferences October 18th & 19th. This will be a great time for you to find out how your kiddo is doing in the classroom environment, however, if you have questions before that date feel free to ask!

### Snack Calendar Information

Being the snack helper is very exciting for your kiddos. If you see your child's name on the calendar it will be your turn to provide snack for your child's class. If you did not have a chance to get signed up for a snack day, stop in the office and see Ms. Layla. The letters on the snack calendar represent the class your child is in such as:
