

# WHOSOEVER Includes You

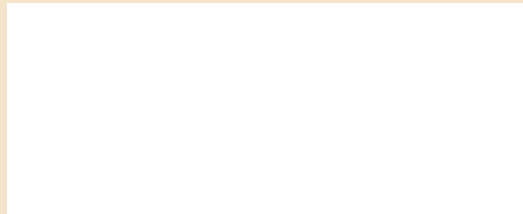

John 3:16 states:

"For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life."

No where in scripture is there an exclusion clause for any one! No exclusion for sexual orientation, gender identity, ethnic background, nation of origin, past experiences, addictions, high achievers, low achievers, self-righteous persons, religious, or hedonists. This is the most inclusive act ever accomplished since creation. Anyone who tells you any differently is attempting to lead you down a path of rejection and loneliness. JESUS IS THE REAL DEAL. Because of Him, each of us can live a perfectly acceptable life! NO EXCLUSIONS!

# He's the Real DEAL

# YOU'RE ACCEPTED

## Jesus is the real deal!

MEET THE REAL ONE  
for the first time...

Forget for just a moment all the negative things you've heard that God said about you as gay, lesbian, bisexual, or transgendered. Forget about the abomination stuff. Forget about the non-acceptable to God stuff. For the moment forget all of this as you read through what scripture REALLY says about you.

### So who is Jesus?

He is your friend! He loves you just the way you are – gay, straight, bisexual or transgendered. He will not demand anything from you in exchange for His friendship. You don't have to do anything special to communicate with Him. There are no special rituals you need to perform to talk with Him. He will always be there for you, 24 hours a day, whenever you need Him. You will have His undivided attention at all times. No matter what you have to tell Him, no matter how bad it might be, He will not judge or condemn you. He will listen patiently to all that is in your heart. He will comfort you in your time of need. He will give you peace in times of trial. He will fill your heart when you are sad. He will forgive anything that you have done. He will heal your spirit, offering you peace when you are troubled. He will love you unconditionally. HE'S THE REAL DEAL!

### So how does this friendship begin?

All you have to do is be willing to accept Him and all that He offers you. His gifts are all FREE, but you have to open your heart and be willing to accept them.

### Does Jesus hate homosexuals?

No! Jesus said nothing about homosexuality. The Bible really is an empty closet! Jesus said nothing about bisexuality, heterosexuality, or gender identity. He had lots to say about love, forgiveness, loving God, loving each other, and accepting the love that God has in store for each of us.

If we believe the words of Jesus from John 3:16, we can be assured that there is no "condemnation" for any who believe. Galatians 3:26-28 tells us: "You are all sons of God through faith in Christ Jesus, for all of you who were baptized into Christ have clothed yourselves in Christ. There is neither Jew nor Greek, slave nor free, male nor female (gay nor straight) for you are all one in Christ Jesus."

Too many churches preach against homosexuality, telling us that we are unacceptable, that homosexu-

ality is a sin and we must change who we are before God will accept us. Too many GLBT persons have bought into that lie and have damaged themselves by either trying to change who they are or by becoming so self indulgent that any love or reverence for God has been pushed aside.

We don't have to buy into the lie anymore! The truth of Who we are BECAUSE of what the REAL JESUS has done for us is the light that guides our way. True love, true intimacy, true acceptance, and true forgiveness forever is ours through faith in Him who first loved us!
