

*January 11, 2015 - from sermon by Dave Johnson*

**What We Need:**

1. An unshakable trust in God, who can face any future.
2. A profound intellectual seriousness - willing to wrestle with unprecedented problems.
3. A constant and humble reliance on God's Spirit: for fresh and creative imaginations that might be able to conceive - what has never been conceived.
4. An untiring perseverance - worthy of past reformers.
