

Agreed Statement of Belief

Denomination Affiliation

Although we fall underneath the umbrella of the Church of the Nazarene and fully support the doctrine and mission of the Nazarene Church, we are more interested in presenting Jesus rather than pushing a denomination.

About God

We believe in one True God who reveals Himself as Father (always and everywhere), as Son (there and then), and as Holy Spirit (here and now). We believe that Jesus was God in the flesh, and was at the same time completely God and completely human

About Ourselves

We believe that God, through a wonderful act of self-expression, created humankind to exist in relationship with Him. Since the beginning, humankind has chosen to shun this relationship and is, therefore, in need of God's forgiveness. We believe that we can receive God's forgiveness and restoration through faith in Jesus. This requires that we admit our fault, turn from our self-centered ways, accept the forgiveness God offers in Christ, and live a life in accordance with biblical principles and teachings.

About the Bible

We believe that the Bible is the inspired Word of God and it is our authority.

About the End

We believe that Jesus will return to earth someday, and that each person will give an account to God.

About the Sacraments

We believe that Baptism is an outward, public sign of what God is doing for us on the inside. We believe that Communion is a wonderful avenue through which God reminds us of the love He has shown us through Christ.

About Healing

we believe that God has the power to heal every disease and encourage our people to pray for healing. We also believe that God uses medical science and that these agencies should not be refused.
