What is a Christian like in the church, home, and world? Let us learn together how to live the Christian life day-to-day: Equipping & empowering saints to teach what they believe, supporting each other, growing in Christian community, and encouragement to pray with others. Children do not attend.

Young Adults

The Edge of Summer

Calling all Young Adults who enjoy having fun! For the summer of 2018, we will be creating a group for social gatherings. Periodically throughout the summer, we will set up an activity for fellow Young Adults to participate in. This may include gathers such as a bonfire, sports, movie night, pool party, dinner outings, and more! We also hope this group can be a place for any member to post social gathers they would like to hold. For example, is there a movie coming out this summer that you would like to watch with fellow Young Adults? Post it in the group so anyone can tag along.

If you have the slightest interest in joining us over the summer, please sign up. You are not required to attend any of the events, joining will allow you to see what fun events others are doing during the summer. Children do not attend
