## Memory Verse:

Therefore, if anyone is in Christ, the new creation has come. The old has gone, the new is here. God made him who had no sin to be sin for us so that in him we might become the righteousness of God.

## Angel Tree

I adopted 2 children (Nyomi and Coner) from Salvation Army's Angel Tree for our class. The class has set a goal of \$250 to raise in class. That would be an average of \$18 per student. I would like for you to prayerfully consider what your family can contribute. You do **NOT** have

to donate \$18.

Put your kids to work and help them earn money towards this cause. We will go shopping Tuesday, December 11th at Walmart to purchase items for our children. We will leave at 11 right after recess.

The students will be split

into 2 groups.

The girls will buy for the girl and the boys will buy for the boy. They will have to work from a budget in making choices of what is best to buy. I would love at least one volunteer to join me. I will treat the kids to pizza after we are done
