We love to hear any thoughts and ideas from parents! If you have any questions about the survey, please let me know.

Next year-

If you have not registered for next year and need to do so, please do that as soon as possible. If you know that you will not be returning, please let us know if you have not done so. This will help us keep accurate records in case someone calls for a spot.

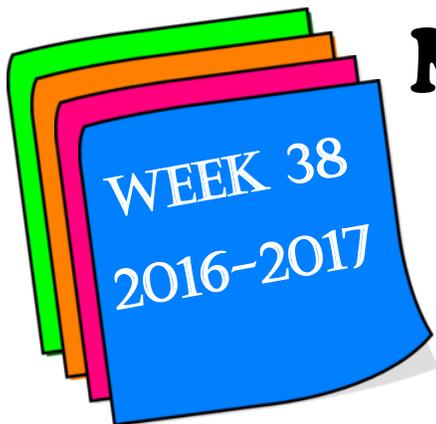

Graduation Video

If you want a copy of the Power Point from the Kindergarten and sixth grade graduation, please email me and let me know. I will send an email when I have them ready for you to pick up. It costs \$5.00 and can be charged to your account if you would like.

If your child has an epi- pen or an inhaler in the office, I will be sending them home TODAY. Please be on the lookout for them!

Report Cards are ready to be viewed on RenWeb. We were hoping you would be more comfortable with logging in to RenWeb so you can see them. If you are having trouble, please let me know. I want to remind you that the district code is clc-in.

The results from the Terra Nova test will be delivered to you sometime this summer. There has been a computer glitch on the company side of things. This has slowed down everything for all schools taking the test not just Clear Creek. The company has apologized and they are giving all schools a discounted price for the inconvenience. This doesn't really affect you directly but you might be wondering about the scores for your child.

I believe the ISTEP results are on line in the parent portal. This would be if you want to contest a score. (I never contest a score. It is what it is.) When we receive the paper copies, we will mail you the results or wait until August when you return to school.

Please see the attachment about Book Quest from Mrs. Ganka-Collins. This is a great opportunity for your child and you! I plan on being on an adult team so let's start reading this summer. Who wants me on their team????

Thank you to those who participated in the fishing event called Casting For Kids. We had a BEEUUUTIFUL day to fish! We raised right at \$10,000! WOW! A couple of you were not sure what this money would be used for but one thing has already been purchased...one air conditioner unit went out last week so already \$1300 was spent on a new part. There is always some kind of expense so please know that every penny will be put right back into running the school effectively and efficiently for our kids.

We still have spaces available in all of our classes but fifth grade. PLEASE pass the word to parents you know who are looking for a place where their child can be educated and loved in a Christian environment. We praise God for how he has blessed this school and we are so very grateful for you – our parents. You are the BEST! Our kids are the BEST too! Let's share the news of Clear Creek Christian School.

There is a short end of year survey going out next week via RenWeb. My apologies for not getting it out sooner but time slipped away from me. It won't take long to fill out and it will help us know how to move forward long term.

Mrs. Post and I will be in the office this summer but the best way to get in touch with us is through email or leaving a message on the phone. We promise we will return your phone calls and emails.

I sadly say goodbye to a handful of you. I will miss you ALL and wish you the very best for the next chapter of your lives. I, personally, am looking forward to a beach vacation this summer with my entire family which includes my two grandchildren. Bring on the sand! I will be praying for you all to have a safe and wonderful blessed summer!
Love you!

Mrs. Adams

Yearbooks are here!

Every student will get a yearbook today. If you would like to help pay for your child's yearbook, please send \$10 in to the office. Also, if you would like to charge it to your account, please send me an email.
