16. apple
17. July
18. hours

Teacher's Notes

Please note that I changed the biography report presentation date to Thursday the 10th. Casting for Kids is scheduled for the 11th and I don't want anyone to miss the opportunity to see all of the presentations! This year is coming to an end. We have lots to complete before summer! Please encourage your kids to eat breakfast, get sleep, and stay focused so we can finish strong! They are almost 3rd graders!!!
