

CLEAR CREEK CHRISTIAN SCHOOL HOMEWORK SCHEDULE

This homework schedule is not policy but is very close to what is followed by Clear Creek Christian School teachers. Notice we expect students to read every day. Plenty of time is given in the classroom to complete assignments but work not completed at school is added on as homework. Usually no homework is given over a weekend, although there might be occasions to do so. Many teachers do not give homework on Wednesday evening due to church activities. We will be flexible with you if you are flexible with us. Homework is important. It shows and grows responsibility. It should not become a daily burden, but we expect it to be done and turned in on time. Homework should never take more than an hour. Communication between the home and the teacher is expected to make homework a success. Our “Moose Books” provide the opportunity for communication.
