

5th Grade World Changers

What We've Been Learning

The class is doing a fantastic job with their colony projects. They are working so hard and learning a lot. We will be wrapping up pronouns with a short quiz (no need to study) and working on word choice in our writing.

Classroom Highlights

FYI: We have talked about slavery due to our colony projects. I told the class how slavery still exists today, just in a different way. We talked about human trafficking and the kids had MANY questions. I did not discuss the more sensitive details with them, as I didn't know what parents' opinions would be about how much to share. We talked about how in America most of the dangers exist online. You might want to discuss this topic with your child in a way you feel is developmentally appropriate. They are talking with one another about it, and I want them to have proper details.

Thank you for your support at the conferences. We are so encouraged!

Don't Forget

Memory Verse

1 John 1:8-9

If we claim to be without sin, we deceive ourselves and the truth is not in us. If we confess our sins, he is faithful and just and will forgive us our sins and purify us from all unrighteousness.
