

5th Grade World Changers

What We've Been Learning

We have finished up our study on the moon, sun, and earth. We will begin learning about the brain.

We will be finishing up our Native American unit. The students presented their projects to each other Thursday. The kids have done such a great job with their research. This is certainly a strength for them.

This week we will work on writing an original "how it came to be" legend. Their English tests were much better the second time around!

Classroom Highlights

Miss Stephanie from the Ellettsville branch of the library joined us this week to tell some Native American legends. Ask about the turkey vulture!

Ask about our read aloud, *Running Out of Time*. The kids love it.

Don't Forget

Our Starry Night Picnic has been **rescheduled** for September 28.

The fifth grade chapel is **this Friday!** The students have written their own skits. Please join us afterwards for lunch and some conversation starters to help everyone connect even more.

The students were given the option of doing an extra credit project on Native Americans. These should come in on Monday if they have one. Zero pressure!

Memory Verse

1 Corinthians 10:23-24 (NLT) You say, "I am allowed to do anything"¹—but not everything is good for you. You say, "I am allowed to do anything"²—but not everything is beneficial. Don't be concerned for your own good but for the good of others.

More News

For the dessert auction, we are putting together a garden themed item. A garden wagon has been purchased by two of our families to put all of our items in. The link to sign up for an item is located here:

[SignUp Genius Garden Theme](#)

Kelly Lee has volunteered to be our point person. If you have further questions, please contact her at kelsportsgirl@yahoo.com.

As the gardening season comes to an end, you should be able to find all kinds of items discounted. Check the clearance sections of Kroger, Walmart, Menards and Lowe's.
