

KINDERGARTEN UPDATE

Our first field trip was a success!

Karsten Raderstorf was our Ringleader this week. Karsten really took his role as ring leader seriously, and worked extra hard to lead his class well. We thoroughly enjoyed learning all about Karsten this week, and especially loved when he read to us!

Thank you to each of the parents that attended Peden Farm. Our trip was so much fun, and your kindergarteners could not stop talking about it this morning.

Next week we will be traveling to Hilltop!! Please let me know of any questions you may have. Watch the weather, as we spend our time outside.

This Week's lessons at a glance:

Bible This week we talked about Moses. We learned when God has a plan, no one can stop it!

Phonics We learned the letter, Dd, this week.

Math We continued our chapter, Count and Match.

Science We have continued talking about animals, focusing on farm animals this week (in preparation for Peden Farm).

Social We have continued learning more about communities.

Studies Our focus was on the role of the farmer.
