Room L109 in Church Life Center

LED BY: Peter Cronk | picronk@sbcglobal.net and Valerie Hainley | vhainley@earthlink.net

Advance your knowledge of scripture in lessons presented in *The Present Word*; a quarterly study published by the PC (USA). Our interactive review of each lesson will help us understand the full intent of God's purpose for us. This quarter's topic, "Jesus, Fulfillment of Scripture" will reveal God's plan for His kingdom going back to Deuteronomy and made manifest in the Davidic covenant through Jesus Christ. Now, we wait the final consummation of God's promises. We live in expectation of God's will being done on earth as in heaven.
