for more volunteers. Please prayerfully consider how you can help us as we anticipate another great year. We would also like to invite you to join us each day during the program (July 17-21) to experience how God is working through these children; if you are unable to join us during the day follow us on Facebook for daily updates. Want more info talk to Holly Kroes or Amanda Mahon.

Room2Grow Baby Bottle Campaign: Throughout the weeks, personal testimonies from Room2Grow clients will be shared. "When I first heard about Room2Grow, I was 5 or 6 months pregnant, I had, at that time, decided that I would be able to do this parenting thing all by myself. Little did I know at the time, that I was being introduced into a big second family that understood my circumstances? Everyone there was so warm and welcoming after having most of my friends completely ignore me because I could no longer party alongside them. My baby's father wanted nothing to do with me or my child, neither did his family. I had felt very alone for most of my pregnancy until Room2Grow opened their arms shown me that even though I had lost my old life, the new life to come would be just as exciting and adventurous. The support from the mentors and the other mothers was overwhelming. They gave me nothing but love. They helped with parking at the hospital while I was pregnant, they have wonderful discussion every week to help you from losing your mind in baby babbles. In the wonderful world of parenting, nothing is better than a strong support system and that's what Room2Grow is to me, my strong support system."
