ETERNITY BIBLE COLLEGE...BOISE!

THE SPRINKLES ARE MOVING...

In June 2014, the Sprinkle family will be moving to Boise, Idaho, to start an Eternity Bible College extension site!

Hello from the Sprinkles!

Some exciting events are on the horizon for the Sprinkle family! As many of you know, we have been living in Simi Valley, CA, since 2009, where I have been teaching at Eternity Bible College. Chris has been homeschooling our three oldest kids—Kaylea (5th), Aubrey (3rd), and Josie (2nd)—while Cody (pre-K) scribbles away doing his “schoolwork” next to the girls. Life has been good. We’ve enjoyed living in

Southern California. The beach is our second home. We love our church, our friends, and the work we’re doing here. But—we’re moving on.

Specifically, we are moving to Boise, ID, in June 2014 in order to plant an Eternity Bible College extension site, and we would love for you to partner with us in this exciting project!

Here’s some background information...

The Sprinkle Family

Preston, Chris, and the kids (from right to left): Aubrey (8), Cody (5), Josie (7), and Kaylea (10)

Why, what, and how?

Francis Chan started Eternity Bible College in 2003 in order to provide the next generation of Christian leaders with an affordable education. The soaring costs of many Christian colleges has shackled graduates with a pile of school debt. We want to do things differently. And thus far, we have never had a student graduate with any school debt. None. And we're committed to keeping it this way.

Also, Eternity seeks to educate both the hearts and minds of students. We don't want to produce graduates who have big heads and little hearts, nor do we want to produce passion with little thinking. We want graduates to think critically *and* live passionately.

Why Boise?

With more than 600,000 people, the Boise metropolitan area is the third largest in the Pacific Northwest and there is a growing Christian population—over 25% of the people attend a Christian church. However, unlike other cities with such a high number of Christians, Boise only has one Bible College. There is a huge need for theological education in Boise.

After recognizing this need, I met with over a dozen different pastors and Christians leaders in the area, all of whom were ecstatic about the possibility of Eternity offering classes in Boise. As I continue to meet with other leaders, the response is the same: Please come to Boise!

What's the plan?

In June 2014, we plan to move to Boise and spend a year on the ground building relationships with as many churches as we can. Then, beginning in Fall 2015 we will launch classes.

As with any school, Eternity relies on both student tuition and donor support to keep things running. This is where you can join with us in this exciting ministry!

What do we need?

To continue to move forward with the Boise extension, we need financial support—especially for the first two years. We anticipate a robust student enrollment in the next few years, and with enrollment comes tuition money. However, to start this extension site, we will be completely reliant upon donor support. The total cost we need for

Preston will serve as Director of the Boise extension site

the first two years is \$205,500, which will cover my salary, office and classroom space, advertising, and a part-time assistant. We would love for you to financially support us in this project.

You can contribute a one-time gift, or you can give monthly. Eternity is a 501c3 non-profit institution, so all of your gifts are tax deductible.

If you have any questions, please let me know.

We are so excited about this new chapter in our lives! We have seen God's hand in this from the very beginning, and this is what enthalls us the most. We look forward to partnering with you in this endeavor!

Yours in Christ,
The Sprinkles
