

# GOD'S COMMUNITY GARDEN

## Guidelines and Rules

1. I will pay the appropriate rental fee to help cover garden expenses and improvements. Payment is due by February 1 to hold my plot/bed for the season.
2. The garden will be ready for planting mid-March. I will begin planting by May 15 and maintain my plot until clean-up the first Saturday in November.
3. If my plot becomes unkempt, I understand I will be given one week's notice to clean it up. If I fail to make the required changes, the plot will be reassigned and/or tilled.
4. The tools in the garden shed are available for gardeners use. **Clean** and return them to the shed after use. To use tillers, please call 913.491.9128. A code to the lock will be given to registered gardeners.
5. I will harvest only my own crops unless given permission by another plot user.
6. I will not use fertilizers, insecticides or weed repellents that will in any way affect neighboring plot.
7. I will not bring pets to the garden.
8. When asked, I will agree to help my neighbor by watering their plot if they go on vacation.
9. I will participate in the fall clean-up of the garden on the first Saturday in November.
10. I understand that neither the garden group nor owners of the land are responsible for my actions. I therefore agree to hold harmless the garden group and owners of the land for any liability, damage, loss or claim that occurs in connection with use of the garden by me or any of my guests.
