Series: STARTING POINT

Message: **#1 FROM NOTHING TO SOMETHING**

Start talking:

- Have you ever searched hard for something?
- Did you ask for help when you were searching?

Start Thinking:

- Early in your faith journey what drew you towards God?
- How do you see a non believer who is searching for God? What do you think of them?

Start Digging:

Matthew 13.44-46

- If you are searching for God How far would you go to find Him?

- If you are a believer what was the treasure you personally found?

John 3.1-9

- Nicodemus came in the middle of the night asking questions. If you are searching what questions do you have?
- If you are a believer who do you know that is asking questions that you need to answer?
- What questions do you need help answering?

Start Challenging:

- If you are searching for God what holds you back or scares you to start your faith journey?
- If you are a believer how can you be more sensitive and helpful to those who are searching?

Start Praying:

- Lord, I am searching for you. Reveal yourself to me that I would become a believer.
- Lord, help us to show love for those who are searching, value questions about our faith rather than feel threatened, and give us compassion rather than an uncomfortable heart for non-believers
