

What is an Assessment Center?

The heart of Cornerstone Church and the leadership is not only to send out healthy Christian leaders and missionaries but to care for these people well. The Assessment Center is an invaluable tool that will help you explore and refine the call to missions that God has placed on every believer's life. The heart of the Assessment is to ultimately build you up in the Body of Christ and encourage you on your God-directed journey, whether it be in business, church planting, vocational missionary work, or service in a local church.

Over a two and a half day period, participants in the Assessment are evaluated and built up by seasoned Christian leaders in key areas critical for missionary life, teamwork, and leadership. Veteran missionaries, leaders, and pastors administer one-on-one interviews, conduct group exercises, and lead sessions that help expose participants to missionary life and ministry, including intercultural acquisition and interpersonal competencies.

Who should attend?

If you are in the midst of exploring and refining the next step in missionary life, ministry, or vocation, this is for you! If you have submitted a Cornerstone Church Global Missions application and have met with the members of the Global Team, the Assessment Center is the next step in your journey. Or, if you are an existing Cornerstone Church Global Missions Partner this process can be helpful for you and the Cornerstone leadership in determining a future relationship.

Why be assessed?

The input, encouragement, and recommendations received from the Assessment leaders can be invaluable in your next steps on your God-directed journey and relationship with Cornerstone Church or other sending partners. Participating in the Assessment can help you discover your strengths, areas of growth, uniqueness and many other factors that can help you develop a healthy approach to missionary life and ministry.

Assessment Center Dates for 2014 are April 3th - 5th and Novemeber 6th - 8th.

Location: Cornerstone Church, Simi Valley, CA

Cost: \$175 for a single, \$300 for a couple
