

PACKAGES OF PLENTY

Tom & Lynn Ashley – missionaries in the Philippines

Imagine living where there is no grocery store. There is no convenience store. There is no Wal-Mart. Imagine where you cannot just run into town and grab off the store shelf a box of bandages, a package of your favorite cereal, just the right book to read.

Our faithful missionaries travel to many parts of the world where this is the living condition. So, how can we make their time away serving others a bit more comfortable? We can send them a **package** with **plenty** of the items we take for granted every day. We have inquired into some of the items that would be of value to Tom and Lynn Ashley, our missionaries to the Philippines. They came up with a wish list of items. Don't you think it would be wonderful to bless them with packages of plenty of their items on their wish list?

You can help! We have a list of items that the Ashley's have need for. We will be collecting these items over the next few weeks until March 17th, then packaging them up and shipping them out to the Philippines. Please help us fill these Packages of Plenty.

Collecting thru March 17th
