

## Hope for Your Child

A day of free workshops for parents, teachers, volunteers and students who refuse to accept limitations on their child's potential.

**Saturday, November 5, 2011 9:00 am – 5:00 pm**

Multi Purpose Room at Cornerstone Church, 2080 Winifred St., Simi Valley, CA 93063

### **8:30 Registration**

### **9:00 - 11:30 am Unlocking Your Child's Learning Potential**

*You WILL LEARN HOW TO: Increase learning potential; Eliminate attention deficits and hyperactivity without drugs; Test for and solve short and long term processing and memory problems; Best ways to teach children in school, home school, and other programs; Allow children to achieve their full God-given potential. This session is the foundation for understanding the afternoon sessions.*

### **11:30 am-1:00 pm Lunch on your own** (there are many places to eat nearby)

### **1:00 – 2:00 pm Ideas & Methods to Help Children With Learning Challenges:**

Learning Disabilities, A.D.D., A.D.H.D., Dyslexia, Developmental Delay, Slow Learner.

*Common challenges, inefficiencies and effective tools to stimulate the sensory system, auditory & visual system, processing & motor function including speech.*

### **2:15 – 3:15 pm Unlocking the Gifted Child Behind the Mask of Sensory Overload.**

“Sensory” Children: P.D.D., Autism, Aspergers, and Sensory Integration Challenges.

*Information regarding underlying factors including nutrition, metabolic concerns, and sensory inefficiencies.*

### **3:30 – 4:30 pm Fetal Drug & Alcohol Effects, Seizure Disorders, Down Syndrome, & Brain Injuries**

*Effective interventions to improve body spatial awareness, sensory perception, auditory and visual function and processing, hand utilization, speech production, and mobility.*

### **4:30 pm Informal Networking and Questions**

#### **Sponsored by:**
