

***During the school year,
Wednesday nights are a
busy time at Cornerstone!***

When it comes to spiritual growth, we have something to offer everyone: Academy classes for adults, Wednesday at The Warehouse for middle and high school students (grades 6 - 12), and JUMP for kids (birth - grade 5). We also offer Homework Help for students in elementary and middle school. And once a month, we hold Shift, a gathering for our young adult attendees in the 18-30 age group.

Here's what our Wednesday nights have to offer this fall...

The Academy at Cornerstone class schedule:

Follow in His Steps A Study on 1 Peter

Taught by Dr. Jeff Stivason

Jesus is the Savior of all who believe. That is an indisputable Biblical truth. But after we are saved, then what? Well, we follow Jesus. But what does that really mean? The Apostle Peter answers that question in his first letter, and it is not an answer for a select few, but rather for every believer. What does it mean to follow Jesus? How do you follow Him? What should you expect on this journey? This class will answer those questions and more. Come and study the letter of 1 Peter as we learn to follow Jesus together.

Portraits of Parenting

*Taught by Jenny Marsalese,
Children's Ministry Director*

When you look at a picture, it's a snapshot in time – an instant you want to remember and cherish. There are so many important moments and stages in a child's life and in a parent's heart. During these six weeks, we will explore the 13 phases that a child goes through and parents' roles during each. This class offers valuable insights for parents regardless of the ages of your kids. Learn what matters most in every stage of your child's life. There are 936 weeks between a child's birth and graduation. Let's make the most of every one.

Starting Point

*Facilitated by Don Walczak
Video teaching by Andy Stanley*

Everything has a starting point - your life, your relationships, your education, your career. Sometimes we forget that our faith has a starting point as well. For some of us, it began in childhood as a set of beliefs handed to us by a parent, teacher, or pastor. For others, it may have developed out of personal experience. Some may have no experience with faith at all. What if you could find a new starting point for faith? The course will help participants explore the Bible and begin to understand key truths of the Christian faith. If you want to get back to the basics, have a new relationship with Jesus Christ, or are returning to church after being away for a while this is the class for you!

Course will have recommended study guide available for purchase for \$8.00.

You can register for classes on the bulletin tear-off or online at www.cornerstonelive.net/ministries.

Wednesday at The Warehouse

This is our Wednesday night program for middle and high school students (grades 6 -12).

We know that the teen years are a crazy time of transition in life. Wednesdays offer a mid-week break and a chance for your student to relax, hang out and connect with friends, while exploring and reinforcing their personal relationship with Jesus. Wednesdays from 7-8:15 p.m. at The Warehouse.

Homework Help

H2 meets regularly on Wednesday nights from 5:30-7:00 p.m. during the school year. Our goal is to reinforce classroom learning while improving study habits in a comfortable, fun environment. H2 is open to students in kindergarten through grade 8. We provide a complimentary dinner and students are welcome to stay for JUMP or Wednesday at The Warehouse.

SHIFT Main Event

The Young Adult Ministry at Cornerstone is a body of people at various stages of life (college, single, married, professional) engaging in community, building authentic friendships, and seeking God together. On the second Wednesday of the month, we gather in The Loft at 7 p.m., to connect, worship, hear a message and share in relevant discussion.

JUMP!

For kids birth-grade 5.

On Wednesday nights, the Children's Ministry offers a high-energy, relevant, Bible-centered environment where your kids can grow and mature in their faith. We get creative with crafts, play awesome games and learn about Jesus every Wednesday from 7-8:15 p.m. Kids check-in opens at 6:45 and childcare is available (for kids birth through age two).

Space is limited. Register online at www.cornerstonelive.net/ministries.
