

Welcome to Cornerstone Ministries

Welcome Friends! Whether you are a regular attendee or visiting us for the first time, we are so glad to have you here with us today! It is our hope that at Cornerstone Ministries, you will find a friendly environment where you can encounter meaningful worship and relevant messages that address the everyday concerns of life from God’s perspective. Please make yourself at home.

I don’t know how you feel, but to me it seems that the line between genuine and fake is becoming progressively less distinct. Our food is fake, our news is fake, even people that we hold in high regard turn out to be less than genuine.

As Christians, we are called to live authentically for God. We are called to be real Christians. But, in a world that is constantly trying to bend truth to the will of popular culture, what does a real Christian look like?

During this eight-week series, we will be called to examine our lives and find the areas where we aren’t living authentically as Christians. Then we must challenge ourselves to transform our lives to grow in love for our God and His people. I hope you’ll join me for this series as we “get real.”

Hope to see you again soon! ~ *Dr. Donn S. Chapman, Senior Pastor*
