

GUIDELINES:

*APPLICANT PLEASE NOTE:

- In order to process your application, you must submit proof of income for all adults and children living in the home. We are unable to start the process without proof of income.
- Submission of an application does not guarantee participation or completion of request. Please Note: The Cornerstone Hope Center does not receive any government funding and is a volunteer ministry of the church.
- HOME REPAIR: We would like to remind you that The Hope Center is not equipped to handle emergencies, major structural or foundation problems, or roof problems (with the exception of potential roof coating on a one story mobile or modular home.) CAR REPAIR: We are not equipped to handle emergencies or do body work.
- We have a multiple step process for approval. First your application will go to a review committee who will decide if the work that you need done is within the scope of what we can provide and if you are within our financial guidelines. If approved at that step, then a volunteer will contact you for an inspection. If after this inspection, The Hope Center feels that we are able to help you, you will be scheduled for a work day.
- Because The Hope Center is ran almost entirely by the generosity of volunteers of Cornerstone Ministries, this process takes 4-12 weeks minimum.

APPLICATION

Mail, FAX, or hand deliver application and proof of income to:
Cornerstone Ministries, c/o The Hope Center, 2200 Cornerstone Lane, Murrysville, PA 15632
Phone: 724.733.0070 Fax: 724.733.5458 www.cornerstonelive.net
