

WHO WE ARE

Covenant Community Fellowship (CCF) is an exciting church ready to join with the Body of Christ in the area to see Revival Fire touch the heartland. We are casual, contemporary, and charismatic church where we encourage you to come as you are from where you are. Our motto which we live by is "**a passion for God and a passion for people.**" We believe in being a community of believers that passionately loves God and also truly loves each other. Through this type of love and **comm-unity** God will touch our area in a special way.

When you visit CCF you will notice that we don't do church as usual. Some even call us a church for people whom are tired of church as usual. We strive to be real and relevant to a generation who is desperate for something real to follow. We want to provide an atmosphere free of control, fear, and manipulation so God's people can worship and also operate in the gifting they have been given. So, you are likely to see people freely worshipping in many ways such as dancing, flags, and the arts.

You will also notice at CCF that every service is different. You never know who will minister in the service and who will preach. We allow God to use the entire body to minister and for the Holy Spirit to have HIS way in the service. It is not about us, it is all about glorifying Him. You will also notice the sense of love and community you feel at CCF. Whether it is enjoying a cup of coffee with an old friend or connecting with a new friend, you surely will feel the love of a family. Finally, we strongly believe in the Body of Christ, the Church, and the potential that lies within each believer. That is you!

Be prepared to be equipped and released into your destiny.

Get ready to: REALIZE...your call; RELEASE...your gifts; and together RENEW our community!

Join us this **Sunday morning @ 10:00AM!**

OUR VISION

1. To create a habitation for the glory of the Lord by establishing a community of believers who are Holy Spirit sensitive and live lives of supernatural LOVE.
2. To penetrate society with the gospel of Jesus Christ and communicate a new paradigm in the church through every means possible.
3. To duplicate ourselves through apostolic training, planting, and oversight for the advancing of the Kingdom of God.
4. To propagate the Gospel of Jesus Christ throughout the world.

OUR MISSION

Our mission statement is pretty simple and easy to remember. But everything we do revolves around it. It defines who we are, and where we are going...

"Shaping history through intense prayer, radical worship, and an empowered body!"

SHAPING HISTORY...

We believe in the transformational power of God - the display of the Kingdom of God on earth as it is in heaven.

INTENSE PRAYER...

"God does nothing apart from prayer, and everything with it." -John Wesley

RADICAL WORSHIP...

"God inhabits the praises of His people." -Psalm 22:3

EMPOWERED BODY...

Releasing the potential that lies within every single believe. Because every member of the body has a calling, a divine purpose, and a ministry!

STATEMENT OF BELIEFS

"In essentials, unity; non-essentials liberty; but in all things we need love." -St. Augustine

We believe the Bible is the inspired Word of God in which we base our beliefs, our faith, and our conduct upon.

We believe that Jesus Christ died on a cross and shed his blood to justify us from our sins. Our salvation comes by grace alone through faith in the finished work on the cross. Mankind's only hope of redemption from our fallen state comes through the shed blood of Jesus.

We believe in one GOD who exists in three persons; the Father, the Son, and the Holy Ghost.

We believe unequivocally in the Deity of our Lord Jesus Christ; Jesus being both fully man and fully God.

We believe in the baptism of the Holy Ghost being a separate work apart from salvation for the empowering of the believer for the work of the ministry. We affirm that all believers receive the Holy Ghost upon salvation but that there is a separate event outlined in scripture called the Baptism of the Holy Ghost.

We believe in all of the gifts of the Spirit as outlined in 1 Corinthians chapters 12-14 such as prophesy, healing, miracles, tongues, faith, etc...That these gifts are for today and are available to every believer to demonstrate the power of the Kingdom of God, "on earth as it is in heaven."

We believe that the five-fold ministry gifts of the apostle, prophet, evangelist, teacher and pastor are for today and are for the purpose of equipping the saints for the work of the ministry.

We believe in water baptism and communion as two important ordinances to be observed by the Church.

We believe in the Church, being the body of Christ in which Jesus is head. We believe the church is the people of God demonstrating the reality of the Kingdom to a lost and dying world. It is our job as the church to demonstrate that Kingdom and to seek and save the lost as mandated by the head of the church, Jesus Christ.

We believe the church as the body of Christ should naturally reproduce itself and multiply as we are fulfilling the Great Commandment, a true disciple will make disciples.

We believe in the Communion of the saints. That God has not called us to isolate ourselves but to be a community of believers who love God passionately and love each other sincerely. We believe the community should strive to build strong relationships with one another through regular fellowship, breaking of bread, true accountability, and bearing one another's burdens in love, selflessness, and deep humility.
