

## Dear Parents

We are thrilled you have decided to have your child be part of an exciting new ministry at Crestview! This is our 2nd year of Kids Small Groups (KSG). We believe your child will have the opportunity to develop in their spiritual walk like never before.

KSG is foremost about relationships. We believe the relationships your child will develop this year with their leaders and their small group members can last a lifetime! Secondly, KSG is about taking children deeper into their faith. The curriculum we are using will help your child discover and understand their purpose in life and also how that fits within our church organization and beyond! Third, KSG is about partnering with families. We would love to have as many parents as possible lead a small group and be involved. We believe this will be a great opportunity for all involved to grow - children, leaders and parents!

We are honored that you have allowed us a chance to minister to your child and to partner with you in leading them on their spiritual journey. Please join us in prayer as we continue with this exciting adventure at Crestview!
